

Minutes: 43rd NKForum Committee Meeting 6th Nov 7:30pm 2019 Hawker Centre

Item:	Description	Action	Whom
1	Apologies: Asa Backman, Glen Keywood, Trevor Willis, David Cunningham, Marilyn Mason, Katrina Lidbetter.		
2	Action points and signing of previous minutes. It was agreed they were all part of the overall discussion this evening.		
3	<p>Updated Policy Map: The general though is that the map is very complicated. Neil has made the point that everything needs to be on the map.</p> <p>There was no reference to Windsor and Osbourne Rds being in Local Areas of Special Character(LASC), so the policy document needs updating.</p> <p>Neil has suggested we run with the very original RBK Opportunity Area boundary which runs along Canbury Park Rd.</p> <p>We are suggesting 2 growth Corridors:</p> <ul style="list-style-type: none"> • Richmond Rd • Park Rd <p>There will be a transition Zone bulge along Acre Rd.</p> <p>We need to establish if the fine houses along Clifton Rd need to be included (they might already be in a CA)</p> <p>Malcolm and Howard discussed the logic of the boundary areas</p> <p>The Wych Elm pub could be incorporated into the plan as a Locally Listed Building. (Noted added after meeting: MP ok with the building to be listed as a LLB, and will help provide history)</p> <p>The LASC designation can be used as a springboard for Conservation Area designation. As this is not within the gift of an NPlan, the residents can decide at a later date if they want the area to be considered for CA designation.</p>	<p>Check</p> <p>MP to be contacted</p>	<p>Di</p> <p>Di</p>
4	<p>Feedback from Council meeting and next steps:</p> <p>Di reported a very positive meeting. We may have proposed more housing than the council are considering, so may have an opportunity to reduce.</p> <p>The next meeting with the council is on December 12th, and we expect to receive their comments on the draft NPlan before that date.</p>		
5	<p>Site Policies: possible changes. We discussed splitting the policy priorities into 2 or 3. See the attached sheet which has already been passed to the committee. However, this will be dependent on the feedback and further discussions with the council.</p>	Pass to the committee	Di, Howard Asa and John
